PRODUCT SHEET

GENERAL INFO

NAME: Bayamo
DESCRIPTION: Smart hand dryer (with AC motor)
RANGE: Hygiene
CATEGORY: Hand & hair dryers

REFERENCE: 160010
EAN: 8056324532521
HS CODE: 85163300
PRODUCT ORIGIN: Extra UE

PRODUCT PICTURE

PRODUCT SPECIFICATIONS

Material: ABS
Colors: White

Dimensions: 220 x 300 x 690 mm
Weight: 7.5 kg
Capacity: 1,900W

ELECTRICAL SPECIFICATIONS

Engine type: AC brush motor
Nominal power: 1900 W
Engine power: 900 W
Resistance power: 1000 W

Voltage: 220-240 V
Frequency: 50-60 Hz
Electrical insulation: Class II
Protection class: IP44

FUNCTIONALITY

Activation: Automatic with infrared sensors
Noise: 72
EPA Filter: Dust filter included and EPA E11 filter as an option
Warranty: 2 years

Air speed: 95 km/h
Air volume: 190 m³/h
Drying time: 12 m³/h

ADDITIONAL INFO

Blowing water from hands in less than 10 seconds, Bayamo is one of the most efficient and powerful ‘hands-in’ dryers on market. Super-reliable and perfect to handle heavy crowds in high traffic washrooms, this device combines top-notch technology with cutting-edge functionality. It incorporates an air sensor which detects ambient temperature, then automatically adjusting the heater. ENHANCED HYGIENE - The case incorporates anti-microbial and anti-UV technology, inhibiting the growth of bacteria and light deterioration. The dryer is also equipped with two UV LED devices which sanitize the air stream both in the air intake and output area. INTEGRATED CONTROL PANEL - In-built switchers allows to choose the operation mode. You can activate/deactivate the unit (ON/OFF); switch the heating element ON/OFF for instant hot air flow; adjust airflow speed (HIGH/LOW). DRYING CYCLE QUICK CHECK - A LED screen is placed on top of the dryer, allowing the user to quickly check the drying cycle status, while two LED indicators show when the unit is working and when an error occurs. DRAIN TANK - Bayamo incorporates a built-in drain tank with overflow pump that catches water droplets coming off users’ hands. Being removable, the tank can be easily empty and clean to both avoid overflows and bad smells. AIR/HEPA 11 FILTERS - The dryer comes as standard with a washable air pre-filter. It can also incorporate a replacable HEPA 11 filter, which traps up to 97,66% of dust micro-particles, pollen and bacteria suspended in the incoming air stream.

SELLING UNIT & PACKING

Selling unit: pc
Package type: cardboard
Pcs per box: 1
Package dim. (LxPxH): 725 x 355 x 285 mm
Package gross weight: 9.6 kg
