Duratap is the most wear-resistant coir mat. Unique features are its high use class rating of 32 (commercial use) and its fire protection class rating of Cfl -s1. This heavyduty, tightly tufted mat makes access easy for wheelchairs and rollators. This thick, firm coir mat has a stiff, bristly feel. With the classic touch of coir. Natural variations in the yarn give the mat beautiful colour gradients. These vary from one mat to another, which makes for subtle colour nuances. The distinctive look of coir means this mat complements both classic and modern interiors. Duratap is available customised with a maximum side length of 1 or 2 m.
