It is designed to be used at home, in small shops, offices and other low-traffic commercial buildings. The grey or antracite heathered design visually hides dust and debris. The soft, short pile absorbs moisture yet prevents pet hair from getting stuck and facilitates easy vacuum cleaning. Nelson is made from solution dyed polyamide assuring a very long lifetime. It does not fade in sunlight and withstands aggressive cleaning chemicals. Nelson comes with a phthalate-free PVC backing, impermeable for water in order to protect the subfloor.
