PRODUCT SHEET

GENERAL INFO

NAME: Qibli
DESCRIPTION: Automatic hand dryer with sensor activation
RANGE: Hygiene
CATEGORY: Hand & hair dryers

REFERENCE: 704101
EAN: 8033267171222
HS CODE: 85163300
PRODUCT ORIGIN: Extra UE

PRODUCT PICTURE

PRODUCT SPECIFICATIONS

Material: ABS
Finish: Chromed

Dimensions: 165 x 262 x 305 mm
Weight: 3 kg
Capacity: 1,850W

ELECTRICAL SPECIFICATIONS

Engine type: AC induction motor
Nominal power: 1850 W
Engine power: 65 W
Resistance power: 1785 W

Voltage: 220-240 V
Frequency: 50-60 Hz
Electrical insulation: Class II
Protection class: IPX2

FUNCTIONALITY

Activation: Automatic with infrared sensors
Noise: 60
EPA Filter: Not available
Warranty: 2 years

Air speed: 80 km/h
Air volume: 160 m³/h
Drying time: 50 m³/h

ADDITIONAL INFO

Qibli is a traditional hand dryer with a sleek and contemporary design. Great in medium-low traffic toilets, it works diligently drying hands in about 50 seconds. Qibli is available in three different finishes, while there are two types of activation. This is the ideal solution for those who look for a reliable and quiet hand dryer, at a fair and value-for-money ratio. RELIABLE - Qibli is operated by a brushless motor. This technology not only extends the dryer life cycle, but it also helps minimize maintenance, as it does not incorporate consumable parts to replace over time. INSTANT HOT AIR - The dryer incorporates a heating element that is designed to instantly warm the air stream coming from the blower as soon as the device is activated. TWO TYPES OF ACTIVATION - The automatic version takes advantage of infrared sensors to detect the hands once placed under the blower fan. Qibli is also available with push button activation and adjustable timer to set the drying time from 30 seconds to 3 minutes. COMPACT SIZE - Thanks to its compact size, Qibli boasts many flexible installation options. It’s great choice for small toilets having tight spaces or where multiple units are required. QUIET - By delivering an air volume of 45 l/s dispensed at a maximum speed of 80 km/h, this dryer ensures an effective but also silent drying, as it emits just 60 dB of noise whilst operating.

SELLING UNIT & PACKING

Selling unit: pc
Package type: cardboard
Pcs per box: 1
Package dim. (LxPxH): 300 x 350 x 200 mm
Package gross weight: 4 kg
