This freestanding station is a sturdy and moveable unit made from coated steel. It includes a built-in shield (settled anti-vandalism) beneath the dispenser to keep surrounding areas clean, plus a 16x20 cm header where you can apply visible signage to encourage hand sanitization. The pack size is reduced by 50%. Ideal in hospitals, lobbies, cafeterias, malls, restaurants, reception areas and other high-traffic places. This solution delivers even more convenient and precise hand hygiene when combined with our touch-free dispensers.
