quickly blow water off the hands. Available in silver or white finishes, Twister features a “hands-in”vertical drying style in line with current trends. ERGONOMIC DESIGN - Twister features a wide hand drying area, opened on both sides, and a double wave-shape nozzles. This makes the dryer more comfortable and easier to use. DOUBLE MOTOR, OUTSTANDING PERFORMANCE - Twister is operated by two brush motors which work simultaneously to reach a rated power of 1750 W. The dryer boasts an ultra-quick drying time of 12–15 seconds. DROP-STOP SYSTEM - The special cover shape with side bars prevents water from dripping on the floor and minimizes splashes. This helps keep restrooms always clean and tidy. DRAIN TANK - The unit incorporates a built-in drain tank that catches water droplets coming off users’ hands. Being removable, the tank can be easily empty and clean, to avoid overflows, mold and bad smells.
