The YUL PRO range includes professional hair dryers featuring a steel casing and a vintage design. Three versions are available: the classic model with linear cable, the wall-base standard one, and the model including a wall-base and a shaver socket. Ideal for hotel use, they are operated by a

**PRODUCT SHEET**

powerful 1300 W AC motor. Powered by pressing the safety button on placed on the handle, these hair dryers offer two different fan speeds with two heat settings. The unit turns off automatically as soon as button is released. Lightweight and easy to handle, Yul Pro hair dryers are supplied with an air concentrator.
